Application for a Medicare Supplement Policy

Health Net®
LIFE INSURANCE COMPANY

1. You do not need more than one Medicare Supplement policy.
2. If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
3. You may be eligible for benefits under Medi-Cal and may not need a Medicare Supplement policy.
4. If, after purchasing this policy, you become eligible for Medi-Cal, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medi-Cal for 24 months. You must request this suspension within 90 days of becoming eligible for Medi-Cal. If you are no longer entitled to Medi-Cal, your suspended Medicare Supplement policy, or, if that is no longer available, a substantially equivalent policy, will be reinstituted, if requested, within 90 days of losing Medi-Cal eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.
5. If you are eligible for, and have enrolled in, a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy, or, if that is no longer available, a substantially equivalent policy will be reinstituted, if requested, within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.
6. Counseling services are available in this state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the Medi-Cal program, including benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB). If you want to discuss buying Medicare Supplement insurance with a trained insurance counselor, call the California Department of Insurance toll-free telephone number, 1-800-927-HELP, and ask how to contact your local Health Insurance Counseling and Advocacy Program (HICAP) office. HICAP is a service provided free of charge by the State of California.

A rate guide is available that compares the policies sold by different insurers. You can obtain a copy of this rate guide by calling the Department of Insurance consumer toll-free telephone number (1-800-927-HELP), by calling the Health Insurance Counseling and Advocacy Program (HICAP) toll-free number (1-800-434-0222), or by accessing the Department of Insurance website (www.insurance.ca.gov).
